Submitted to His Highness.

The sanction of His Highness to the proposals contained in my Submission Note of the 3rd April 1922 in regard to reductions in the Headquarters Medical establishment was communicated in the Private Secretary's demi-official letter No.273 dated the 4th idem. Under these orders the Assistant Surgeon selected for the post of Headquarter Assistant Surgeon is to be given a duty allowance of Rs.50 only in addition to his grade pay.

The former Medical Officers attached to the Headquarter establishment were drawing the following allowances:-

(i) a conveyance allowance of Rs.40; (This has been drawn ever sinc 1893)

(ii) a house rent allowance of Rs.30. (This has been drawn since February 1896)

(iii) a local allowance of Rs.50. (This has been drawn since 1917).

Mr. P.R. Subba Rao, Assistant Surgeon now selected for this post is a junior officer with a salary of Rs.160 and he has made representations that his salary with the duty allowance now sanctioned to him is inadequate and does not cover his additional expenses, and prayed that the allowances drawn by his predecessors may be continued to him. As District Medical Officer, Kolar, he had a free house, an allowance of Rs.50 for being in medical charge of the District and had also opportunities for private practice. In Bangalore, he has to pay a large hous rent, has no opportunities for private practice and has also to maintain a conveyance to attend on the Dewan and the Members of Council, and also attend to the dispensary in the Public Offices. It appeared to me therefore that the claim of this officer for some increase in his emoluments while stationed at Bangalore was justifiable, but instead of continuing a number of allowances, I proposed that a consolidated allowance of Rs.100 might be given. The First Member was of opinion that the allowances drawn by Mr. Subba Rao's predecessors totalling Rs. 120 should be continued to him.

The Compounder attached to this dispensary has also made a representation for the grant of a cycle allowance as he has to attend to his duties both in the morning and in the evening in the dispensary maintained in the Dewan's residence and also the one maintained in the Secretariat. Formerly a mutchi of the General and Revenue Secretariat doing duty as compounder was getting a - - cycle allowance of Rs.7-8-0.

The question was considered in Council on the 13th July 1922 when the following resolution was recorded:-

"The duty allowance of the Assistant Surgeon, Headquarter Establishment may be raised to Rs.100 and the compounder given a cycle allowance of Rs.5".

The above recommendation may be graciously approved and given effect to from the date on which the present Assistant Surgeon - - joined duty.

Even after the allowances now proposed are sanctioned, the total cost on the Headquarter Medical Establishment would be well within the provision indicated in para 4 of the recent Government Order of the 15th April 1922. With reference to the First Member's suggestion that the old allowances amounting to Rs.120 should be continued without reduction, the Council was of opinion that as retrenchments are being effected in the matter of all allowances, it would be expedient to reduce the amount of the allowances in this case from Rs.120 to Rs. 100

SIR,

In forwarding the enclosed copy of letter No. 25 of the 18th May 1922, from Assistant Surgeon Mr. P.R.Subba Rao, of the Head Quarters Establishment, Bangalore, I have the honour to recommend that Government will be pleased to sanction him the grant of the allowances given to his predecessors for reasons stated by the Assistant Surgeon with which I fully agree. Without the allowances, it will not be possible for

20

for him to maintain his status in an expensive place like Bangalore.

I have the honour to be,

Sir,

Your most obedient servant,

For Senior Surgeon.

B.V.A. (absent from Station

No.25 dated 18-5-1922.

Enc leave to

To

The Senior Surgeon in Mysore. Bangalore.

With reference to Government No.L.6162-Med.113-21-2 dated 21-4-22 received by me with your office No.Dis.A.W/1 dated 16-5-1922, I have the honour to bring to your kind notice that I see that the orders are to the effect that I am not to get the conveyance allowance and the house rent which my predecessors were getting.

2. I beg to submit that when I was transferred to the present charge, I was quite unaware that I would be deprived of these allowances as otherwise, I would have then alone represented my grievances and difficulties which would prevent one from working in the Headquarters Establishment.

3. I am a junior officer drawing only Rs.160/- permonth, out of which, I pay Rs.75/- towards house purchase loan and Life Insurance. Thus I will be left with Rs.85 plus 50 Duty allowance per mensem. I have to pay a house rent of not less than Rs.35 to 40 as it is absolutely necessary for me that I should remain a healthy locality so that I might keep myself fit for the responsible work I am entrusted with.

4. Further, I beg to submit that the present Government Order has not in any way lightened my out-door work and, on the other hand, has added on much to the former work as I am deprived of the assistance of a Sub Asst:Surgeon and have to do all the work myself and as I am also requiredto attend the Dispensary in the Secretariat regularly every afternoon. Thus I have to cover up a distance of 20 to 30 miles or more every day. Therefore you will kindly see my out-door work does necessitate me to own a conveyance which means an initial investment of not less than a thousand rupees and a recurring expenditure of Rs.50 or 60 a month.

5. If I were to meet the above two items of expenditure

out of the income I have at my disposal i.e. Rs.135, I will be hardly left with Rs.35 to Rs.50 which is quite inadequate to maintain oneself in a costly place like this. I am a big family man and find it absolutely impossible to make both ends meet without the conveyance allowance and the house rent. ... I need not bring to your kind notice that I must also maintain my status and appearances in such a place as this, unlike in moffussal places. I have no other means of earnings as in the shape of private practice and examination of cases for Life Insurance etc., I am prepared to work hard and please my officers to thei entire satisfaction. ... But I cannot starve myself and my family and do the work.

6. Further, I beg to point out for your kind information that though I am given all the allowances viz., Rs.50 D.A., Rs.60 C.A., and Rs.50 H.R. the total payment does not exceed the budget allotment of Rs.301 1/3 per month as my salary would come up at present to Rs.160 plus 120 equals 280 only.

Under the above circumstances, I beg you will kindly represent my case as strongly as possible to Government and get the allowances which were hitherto given to the Headquarters Medical Officer sanctioned.

For which act of kindness I shall remain grateful.
